# CARE INSTRUCTIONS

Clean regularly using mild soap and dry with a soft cloth.

Do not use abrasive cleaners or materials (eg. steel wool, scourers etc.), harsh detergents or citrus based cleaners on any tapware products as these may cause scratching or damage to your finishes.

Tightening or adjustment of Tapware over time is considered general maintenance.

Regularly check and clean tapware aerators / flow restrictors. Spare parts are available if required from your local Highgrove Bathrooms store.
