FAILURE TO COMPLY WITH ANY OF THE ABOVE INSTRUCTIONS WILL VOID ALL WARRANTIES

Installation Instructions for

LOR600X900

**LORENZO Rectangle LED Mirror Walnut
600x900mm**

IMPORTANT

- The product is fragile. Be careful during unpacking and installation;
- The product should be cleaned by standard detergents and soft cotton cloth;
- Class II luminaires should be installed so that any exposed metal work is not in electrical contact with any part of the electrical installation connected to a protective conductor;
- For indoor use only;
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard;
- Mirrored surfaces: Please only clean the mirrored surfaces with a moist chamois leather and do not use commercial glass cleaner.
- Always wipe the edges of the mirror dry. Otherwise, coating flaws may develop.

Before drilling any fixing holes ensure there are no obstructions hidden beneath the mounting surface area and that is free from pipes, cable or wires that could be damaged during installation.

IMPORTANT! Electrical Connections:

Always ensure the electrical supply is switched off at the mains during installation and any maintenance. LED Mirrors need to be hardwired and installed by a qualified electrician only.

USER GUIDE

- Touch the touch-switch to turn on the light
- If you touch the switch again within 3 seconds, you can change the light colour:

cool white > warm white > neutral white

- A further touch after three seconds will turn off the light
- To adjust the brightness, please choose your light colour and hold the touch-switch

When you turn off the LED light and turn it on again, the light will start in your last adjustment.
