INSTALLATION

- 1 Remove mounting brackets from the product.

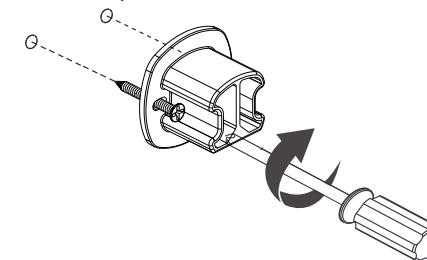

- 2 Mark the installation positions on the wall.

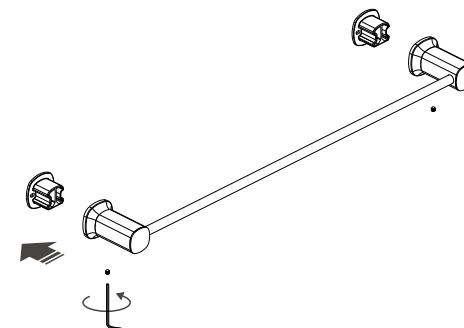

Drill 6mm holes on the marked positions, then insert anchors into the holes.

- 4 Fix the mounting brackets to the wall

- 5 Fix the product to the mounting brackets to complete the installation.

PRODUCT WARRANTY

For full terms and conditions including how to claim and your rights as a consumer, after sales and other enquiries, please contact your store of purchase.

In addition, if you are a consumer as defined in the Australian Consumer Law, the goods come with a guarantee that cannot be excluded and you are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

NOTE

1. This product is delivered to consumers after strict quality testing.
Do not disassemble or tamper with this product.
2. Install according to the product diagrams to ensure correct installation.
3. For safety, ensure that the wall of where product is to be installed is free of hidden water pipes and electric cables.
4. Failing to comply with the notes mentioned will void product warranty.
